

Pratice Problems for Exam 2.txt
Pratice Problems for Exam 2

Students, I have provided a list of practice problems to help prepare

you for the exam. A modified version of one of these problems will be on

the exam. I will not provide solutions to these problems. Work with your

peers to solve these problems. Compare you answers and try to obtain the

correct answers.

Boresi

- 2.10 - Yield Criterion
- 2.55 - Displacement to State of Strain
- 3.7 - Stress to Strain
- 3.8 - Stress to Strain
- 3.15 - Stress to Displacement
- 4.9 - Yield Criterion
